

MVA Australian Partners

At Missionary Ventures Australia we are committed to increasing our involvement in the Asia Pacific so that Indigenous churches will continue to be empowered and nations impacted by the Kingdom of God, but we need your help to achieve this.

We continue to work with Mangyan mountain tribes on Mindoro Island in the Philippines providing food, medicine and education for the children, giving them sound Biblical teaching.

MVA have medical teams, and also work in slum communities of Cebu and on Mindanao available.

In northern Thailand on the Burma border we are working with a child rescue centre (children rescued from sex trade) and also with a number of town and village orphanages. We send teams to work in two large Karen Refugee Camps on the Thai/Burma border teaching English & doing other skills training helping to empower hundreds of children attending the camp's Christian schools.

MVA regularly sends teams to Thailand checkout our teams page on our website

MVA send teams to various locations in Indonesia.

We send teams to work in Orphanages in Indonesia where we disciple the children teaching them English and other skills. MVA has replaced roofs, repaired plumbing, installed water tanks, painted buildings, helped set up fish farms and undertaken other strategic projects that have improved the living standards of the children in these homes.

MVA has a strong commitment to the people of Fiji and Vanuatu where we continue to empower churches, work in schools, slum communities and island villages. We hold pastor's conferences and leadership training, do Bible teaching and undertake community development projects.

This is just a snapshot of what missionary Ventures Australia is doing in the Asia Pacific, but to achieve all that God is calling us to do we need your help. Your partnership with MVA will enable us to raise up, train and to send out teams and specialized ministries to undertake strategic projects, training and community development that will continue empowering churches enabling them to impact their nations with the Gospel of the Kingdom.

We invite you to join us in this exciting ministry with either a once off donation or by becoming a financial partner with MVA
