MISSION VENTURES THAILAND BIKE MINISTRY(MVTBM)

Blessings to the Christian Volunteer Association (CVA), with a bike for Pastor Salom for the ministries in Bangkok.

Ps. Somporn from MV Ubon Church, Ubon Ratchathani, Northeastern Thailand with his bike and side carry.

These bikes will indeed be a blessing in assisting the work of the Lord in their different provinces throughout Thailand.

Reaching Satun community with the love of Christ, providing food relief for those in need.

MV SATUN BAPTIST CHURCH

We thank God for His continued provision: MV Satun Church continues to reach out within the Satun community with the love of Christ by providing food relief for those in need.

Praise God, gospel tracts were also included in these food packages. The people are always very grateful to receive these food packages as some of them are still under quarantine after being tested C-19 positive.

Praise God, Ps. Siwon of MV Satun Church is able to connect and reach out to the youth through music. Please continue to pray that every one of them will come to have a personal relationship with Christ and to grow together in His love. Amen!

Thank God His love can be shared to the Sung Noen community. Praise God, Ps. Kungwal Pai and team can visit families near the church, blessing them with foodstuffs that were brought in last month. Praying these families will be reached for Christ and become true believers and share in God's goodness.

Hallelujah! Seven new believers were baptized on Resurrection Day. As we celebrate the risen Christ, we also rejoice over those lives who have decided to follow the Lord Jesus Christ.

Province, North-western Thailand**

MV MOUNTAIN OF LIGHT CHURCH

Mae La Noi has a population of about 36,000 which consists of Native people, Shan, Karen, Hmog and Lawa. Most of the people earn their living in agriculture such as corn and beans.

There are now 40 to 60 believers who meet regularly every Sunday to worship the Lord together and they also meet once a week at different homes for life groups.

Praise God, Ps. Saijai is now ministering to more children during Sunday service at the porch of the small house next to the church which has been recently extended. Ps. Daneal and his wife also stay there. Recently, a small baptism pool was also built at the back of this house and 2 new believers baptised. Praise God, Ps. Daneal and Ps. Saijai are also connecting with the youth here by helping them to learn guitar and drums.

Sharing and teaching the Karen culture/lifestyle is important...

Always ready to help with food relief and connect with the community where there are needs...

Years prior, this church did not have a permanent shepherd. Elder Pateela, who is a farmer provided that leadership for this church. MVT worked alongside with elder Pateela from 2017 until now assisting him in leadership. We recognise his faithfulness and is highly respected in the community.

Since last year, God has provided Ps. Daneal and his wife Ps. Saijai to lead the church. They both have a heart to reach the youth through music, especially Karen music. Also being an encouragement in the community and buiding up the believers.

There are many challenges facing the younger generation in this community. Thank you for supporting Ps. Daneal and Ps. Saijai and the church here through your prayers.

Here are some tasks to uphold in your prayers:

- 1) Pray for the younger generation of Karen people who are yet to be reached with the gospel.
- 2) Pray for the church believers who are mostly living a simple lifestyle, who rely mainly on their farming income.
- 3) Pray for creative evangelism for the Karen community surrounding the church, that this place will be a light for all.
